**Key policies:**

- All projects worked on at the Auto Hobby Shop, automotive, mechanical or otherwise, are subject to stall fees.
- An attendant must direct patrons into and out of the stalls. Only attendants may operate lifts in the bay.
- Vehicles or parts not registered with the Auto Hobby Shop can be removed at the owner's expense.
- Stall fees incur as long as your vehicle is stored at the Auto Hobby Shop (not only the times when you are working on it).
- Smoking is only allowed in designated smoking areas outside the gate. Please use the receptacle.
