

Naval Air Station - Whidbey Island ADM Nimitz Dining Hall

Month: April 2019

#	Meal	Suggestions/ Comments	Food Service Officer's Response
1	Breakfast	Very great breakfast! Tasty, awesome French toast. CSSN Leubert did an awesome job on omelet bar! Thank you.	We are glad to hear that you enjoyed your breakfast. I will pass the BZ to CSSN Luebert. Thank you for the feed back!
2	Lunch	I have a month left until my EOAS but after I tasted this lasagna, I immediately re-enlisted. Lasagna was amazing! Whoever made it should be capped and then knighted.	We are happy to hear that you enjoyed the lasagna and that you plan to continue your service. I will pass on the comments to our staff. Thank you!
3	Lunch	The turkey divan was good. More turkey divan always. I was contemplating eating more.	We will continue to have turkey divan throughout our cycle menu. Thank you for your comment!
4	Lunch	Let retirees eat at the galley. We earned the right.	As we would love to have retirees eat at the galley, it is not an option on a daily basis, however we enjoy having our retirees attend our special meal that we offer one day a month. Thank you for your feed back.
5	Lunch	Upgrade the card reader. Takes too long to process payment.	We are continuously looking at options to upgrade or card readers to make it more efficient. Thank you for your comment!
