GREAT NEWS!

To serve our residents better, the Unaccompanied Housing team is working on moving the Front Desk from Navy Gateway Inns and Suites at Bldg. 973 to Building 2701, here at the UH campus. The Front Desk location will soon be in close proximity to your assigned UH buildings. Our goal is to be operational early this year.

Parking in front of Buildings 377 and 376 has been re-opened since the contractors no longer need that area for staging.

Thank you for your patience. We apologize for the inconvenience it caused!

As a way of improving communication with our residents, you will soon be receiving newsletters and "Schedule" notifications such as power and water outages via your personal email.

Please notify the UH front desk if the email address you provided when you first checked-in has changed.

Winter cold is here. Please ensure that all windows are closed. Windows that are open will increase the load on the HVAC system and the unit must work harder to maintain a specific temperature. If your heater is not working:

- During working hours, report it to your Building Manager or call 360-257-2799
- After working hours, please call the UH Duty Manager at 360-633-0662
- For any routine trouble calls, go to [navylifepnw.com](https://whidbey.navylifepnw.com/housing/unaccompanied-housing/barracks-maintenance-request) website under "Housing" to place a maintenance request:

The Whole Room Concept project for Building 377 is almost complete. The furnishings in all of the resident rooms have been replaced.

Residents will also be enjoying all the new items that the lounge has to offer: TV, DVD player, sofa sets, coffee tables, end tables, ping pong table, foosball table, and break table. The pool table will be coming soon.

Replacement of kitchen appliances is scheduled for completion in January 2021.

RESIDENT ADVISOR PROGRAM

Do you know who your RA is?

Each building has assigned RAs to mentor, counsel and assist in maintaining good order and discipline; as well as accelerate adaptation of junior service members to their military life.

RAs are typically in pay grades E6-E9, have gone through the Unaccompanied Housing Assignment Review Board (UHARB) process and approved by the Installation CO, before given the position. You might notice them walking around the building after working hours to ensure nothing is out of the ordinary.

Get to know your RA!

WINTER STORMS here in the Pacific Northwest can carry high winds, drenching rain and heavy snows that are powerful enough to down power lines and trees. Be prepared for power outages that may last up to 24 hours. Ensure you have emergency supplies such as flashlights with extra batteries, non-perishable foods and bottled water. When a power outage has occurred, refrain from opening your freezer and refrigerator doors as much as possible to maintain the cold temperature. As a reminder, candles are not authorized in the UH.

SEE SOMETHING? SAY SOMETHING! As agreed and signed upon check-in, all residents “MUST” immediately report to UH staff of any suspicious activity or unauthorized items and or personnel in the UH property. Resident Advisors are also available if needed. Remember, service members represent their services both on and off duty. We must always maintain good order and discipline.
