1

School Transition Services (PCS cycle)

SLOs assist families with school transfers, providing information on K-12 educational options and strategies to help “level the playing field” for military children and youth.

2

Deployment Support

SLOs connect military families to the Navy’s deployment-support system, inform educators about the cycle of deployment, and provide tools to assist educators working with Navy children.

3

Command, School, and Community Communications

SLOs serve as subject-matter experts for installation commanders on K-12 issues, helping to connect command, school and community resources and information.

4

Homeschool Linkage and Support

SLOs provide Navy families with homeschooling resources and support, as well as information on homeschooling issues, policies and legislation.

5

Partnerships in Education (PIE)

SLOs help support the installation’s PIE program, where military personnel volunteer in local schools to help foster the success of all students in the community.

6

Post-secondary Preparation

SLOs provide military high-school students with post-secondary information, resources, and opportunities.

7

Special Needs System Navigation

SLOs provide information to families of children with identified needs, to help them navigate the administrative systems within local education agencies. SLOs also provide information about installation and community programs and services, and make referrals to the Exceptional Family Member Program.
