

# BOOK CHARACTER SCAVENGER HUNT

As a tale as old as time, with a twist and a bit of magic, 50 book characters have come out of their story lines to hide around Bangor Base. You can find them around Trident Lakes (not in the trails), housing common areas and the skate park & track.

Please help our authors and librarians find them before they disappear forever!

## Objectives:

- Your goal is to find as many characters as you can and match them to a book cover!
- **Timeframe: Friday, Aug. 1 at 3pm to Friday, Aug. 8 by 3pm.** (one week)
- **Part 1:** Take photos of at least one family member and the Book Character, pictures MUST contain both to count as complete.
- **Part 2:** Use the Book Cover Matching packet to match the characters (using their number) with the book they escaped from. Take a picture of these sheets and email them with the group of character photos. -OR- Once you submit your character collection photos you can bring your completed Book Cover Matching packets to our pop-up community Library (Bangor Recreation Center) for the librarians to reference.
- Submissions will **not be accepted until Thursday, Aug. 7.**
- **Designate one person** from your family to **submit your photos** all at once or if needed in 2 groups **by emailing** them to: [alison.r.campbell3.naf@us.navy.mil](mailto:alison.r.campbell3.naf@us.navy.mil)
  - Subject: *Book Characters* / Include: Your full name and phone number
- You must be the first to find the most and accurately match the book characters to the books they belong to in order to win. The **first THREE** seekers that can best do both will receive a prize basket (provided by Hunt Military Housing). **All other** participants will receive a book of their choice (provided by United Through Reading). Winners will be contacted no later than 3pm on Friday, Aug. 8. **You will have until Wednesday, Aug. 13 to pick up your prize.** Basket prize winners will take a photo to be posted on Facebook.
- Please **do not disturb/move our Book Characters**, we do not want to lose them as others are trying to find them as well. Our Librarians will be checking on them regularly.
- Our Librarians will round them up once the challenge is complete on Friday, Aug. 8.
- Good luck and have fun! (You can also just participate for fun without submitting.)
